RULES FOR FOREIGN APPLICANTS (ART. 4)

Provisions for access to the course for applicants of foreign citizenship and for EU citizens in possession of academic degrees obtained abroad can be found at the website of the Ministero dell'Università e della Ricerca <http://www.studiare-in-italia.it/studentistranieri/>

Applicants in possession of a foreign academic degree equivalent, in terms of level, nature, content and academic rights (access to further courses) to the Italian academic qualification requested to have access to their chosen course, may apply for enrollment at the following courses: university first and second cycle master's degrees and training courses. Enrolment remains subject to the assessment of suitability as well as the passing of the respective admission exams, where required.

Applicants must meet the requirement of professional qualification, where required.

The qualifications issued by foreign authorities must be accompanied by the documents indicated by the universities in compliance with the Lisbon Convention: the student is under the obligation to produce the documentation that the University deems necessary for the assessment of the foreign qualification, with reference to: **any translations, legalizations , , Diploma Supplement, certificates from the Italian ENIC-NARIC centre (CIMEA), any Declarations of value.**

If the university has decided to request the issuance of a certificate of comparability of the foreign qualification by the Italian ENIC-NARIC centre (CIMEA) and this has been issued to the candidate, the submission of the Declaration of Value is disregarded.

Candidates who are non-EU citizens residing abroad, submit through the UNIVERSITALY portal their application directly to the chosen University, in accordance with the procedures and terms established by each University. Applicants for these training activities and courses will have to carry out the pre-enrolment procedures using the UNIVERSITALY portal.

For enrolment in the courses of Italian universities, depending on the type of course, the following procedure will be followed: international candidates with an academic qualification comparable in level, nature, content, and academic rights (access to further courses) to the Italian academic qualification required for access to the chosen course may apply for admission/registration.

Applicants submit their application for a Master's Degree through the UNIVERSITALY portal and directly to the chosen Universities following the procedures and within the deadlines set by the call for applications.

This procedure must also apply in the case of Master's courses established by the University in collaboration with public or private bodies.

At the time of admission/enrolment at the University, applicants shall present their academic qualifications, duly accompanied by the documents required for admission/enrolment. Following confirmation of acceptance by the University, the candidates request the Representation to issue the entry visa for study purposes, with a validity related to the duration of the course.

In the event that an in-person admission examination is scheduled, the study visa will have a conventional validity of 100 days. After passing the aforementioned tests, the student will proceed directly to enrol in the course and request an extension of the residence permit, without having to return to the country of origin.
